Union Labor: Since Florida is a "right-to-work" state, exhibitor personnel may set up their own exhibits if so desired. Union Labor is available to assist in the erection and dismantling of exhibit booths. Exhibit labor, freight and rigging labor, electricians and plumbers can be arranged for at established rates by contacting Shepard Exposition Services.

Exhibit Labor Jurisdiction: Union exhibit labor claims jurisdiction for the installation and Dismantling of prefabricated exhibits and displays when this work is done by persons other than full-time company personnel. They may be employed by completion of labor forms provided by Shepard Exposition Services. They are not required to put your products on display, to open cartons containing your products, nor to perform testing, maintenance or repairs on your products. If, however, you hire any labor to assist you, it must be through the Official Contractor for that trade.

Freight Handling Jurisdiction: Shepard Exposition Services has the responsibility of receiving and handling all exhibit materials and empty crates. It is their responsibility to manage docks and schedule vehicles for the smooth and efficient move in and move out of the exhibition. The designated conference decorator will not be responsible, however, for any material they do not handle.

Gratuities: Tipping is expressly prohibited. This includes such practices as giving money, merchandise, or other special consideration for services rendered. Do not give coffee breaks other than mid-morning and mid-afternoon, when the union has a 15-minute break. Meal breaks are one hour. Any attempt to solicit a gratuity by an employee for any service should be reported to Shepard Exposition Services.

In General: Crafts personnel at all levels will be instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. All questions originated by labor are to be expressed only to Shepard Exposition Services. Exhibitors are asked to refrain from voicing labor complaints directly to craft personnel. Any questions regarding contract labor should be directed to Shepard Exposition Services.

Exhibit Removal; Exhibit Space: The exhibitor assumes all responsibility for any and all loss, theft and/or damage to exhibitor's displays, equipment and other property while on Rosen Shingle Creek Resort premises, and hereby waives any claim or demand it may have against Rosen Shingle Creek Resorts and their respective parent, subsidiary and other related or affiliated companies from and against any attorneys' fees and costs, arising from or in connection with the exhibitor's occupancy and use of the exhibition premises or any part thereof or any negligent act, error or omission of the exhibitor or its employees, subcontractors or agents.
